

Cantaloupe Wedges with Mint

Equipment:

Chopping board
Sharp knife
Spoon
Serving plates (1 per table)
Lemon juicer
Colander

Ingredients:

Fresh whole cantaloupe
Fresh mint
1 x lemon

What to do:

- Halve a cantaloupe.
- Scoop out and discard the seeds.
- Confirm how many pieces of cantaloupe you will need for 1-2 wedges per person.
- Cut the cantaloupe into neat wedges and arrange on serving plates.
- Cut the lemon in half and squeeze out the juice.
- Sprinkle the juice evenly over the plates of melon.
- Wash and dry the mint, pick the leaves from the stem.
- Finely chop the mint and scatter over the melon wedges.
