Grade 5 Digital Sound Hub/Digital Artists Excursion
Wednesday, 29th November, 2017

Dear Parents,

Our Inquiry this term is called 'Bands' and it is an exciting adventure into the world of entertainment. Students form themselves into musical groups with their classmates and get ready to take on the world. The first element of this excursion will give students the opportunity to attend a Podcast workshop which is an incredible vehicle for sharing ideas and stories. Students bring their own writing to The Channel (created in class time), to be recorded and polished into a final product that can be shared with friends, family and the school community. Students will use computers to record their voice, edit the recordings and choose sound effects and music to enhance their work. The second element of our excursion, Digital Artists, is held at the National Gallery of Victoria. Working with an Educator, students explore works of art and use them to inspire their own digital creations using a range of apps and digital techniques. Students create a digital gallery of works to share back at school. These workshops will help our band members as they work to build their careers up in readiness for the big music festival showcase to be held at the end of the year. Each band will be working together to create a band name, logo, image, music video and merchandising. All to promote their debut single at the music showcase, where each band's song will be performed for their adoring fans.

The cost of this excursion is $35.00 and is included in the excursion levy. The form and money is due back by Wednesday, 22nd November, 2017. No late forms or payments can be accepted.

Students will travel to the city by train and need to be at Frankston Train station by **8.10am.** **All students need to be taken by private car to Frankston Station and accompanied by a parent onto the platform. Parents will need to collect and sign off students from the Station Car-Park (opposite TAFE) at 4.00 pm.**

All students are to wear full school uniform. They will need to bring a small backpack (no schoolbags please), disposable drinks, playlunch and lunch.

We will require 2 parents per grade to help us on this day. If you are interested could you please indicate on the form below. Please note all parent helpers must provide a copy of their current Working with Children check.
