

FOOTY FUN DAY 2017

On Wednesday, 20 September the whole school will be participating in our annual Lap-a-Thon. This event, organised by the PTA, is a major fundraising event in which all school members can participate in a fun, social activity that promotes health and fitness, and raises money for the school's new rebound wall.

Children can dress up in their **Footy** colours. Wear your team's colours, jumpers, scarves and beanies and join in the fun run, footy parade and activities on the oval. Family members are welcome to join us to cheer the students on.

Students, please ask your family if they will sponsor you with a donation for your participation in lap-a-thon day and see how many laps you can complete. There is no competition - this is a fun day.

This year the running track will be held on school grounds and we will share the oval space with footy activities as arranged by the teaching staff. We will commence running at 11.15 am. There will be a "station" per class where the "Lap" cards will be marked off.

Each **student must bring their own water bottle** which will be held at the class station.

The Lap-a-thon will conclude at lunchtime. A special pie lunch will be held on the day. **Children must pre-order their pie lunch.** Please fill out the separate lunch order form and return with your money by Friday, 8th September to ensure you receive your special lunch.

PRIZES WILL BE AWARDED FOR THE FOLLOWING CATEGORIES:

1. The student raising the most amount of money overall.
2. The student raising the most amount of money in each year level.
3. The class with the highest total amount of money raised.

(Note: One student cannot be the winner for both of the first 2 categories; the second most money raised will come into play).

To be eligible to win a prize your **sponsorship money must be back at school before or by 9.00 am on Footy Day, Wednesday, 20 September, 2017.** All prizes will be announced at the final assembly of term 3, Friday, 22nd September.

We would like to give a big **THANK YOU** to the fabulous Mt Eliza Parents and our Sponsors of this fun event, helping our school raise funds for the new rebound wall.
