# Grade Prep to Grade 6 Life Education

Dear Parents/Guardians,

As part of our drug and health education this term we are having the Life Education mobile learning centre visit our school from: Thursday, 15<sup>th</sup> February, 2018 to Thursday, 1<sup>st</sup> March, 2018.

Life Education delivers health and drug education through a unique mobile learning centre environment which provides students to develop strategies and practice the skills required to lead a healthy lifestyle.

Lessons are age appropriate and the children will be covering a wide range of health related topics, ranging from the human body and how it works, healthy eating and nutrition, medicines and drugs, bullying, resilience and social skills.

Healthy Harold, the much loved Life Education giraffe mascot is always a much anticipated element of the visit. The sessions are always fun, interactive and really extend and develop the children's understanding of the topics covered. We will be further broadening these topics in class both prior to and after the visit with the student workbook which is included in the cost of the visit. It is important that your child attend this session.

As a charity, Life Education relies heavily on the generosity of local organisations to keep its fleet of mobile learning centres on the road delivering positive health and life messages to over 200,000 children in Victoria alone.

The cost of the incursion is \$9.00 and is included in the excursion levy. Please complete the permission form, with your payment and return to your classroom teacher by Friday, 9<sup>th</sup> February, 2018. No late forms or money can be accepted.

Thank you,  
MT ELIZA PRIMARY SCHOOL
