

20th April, 2017

Dear Parent/Guardian,

Show and Tell is an important part of your child’s development as it helps them gain confidence with sharing in front of an audience. In Term 2, we would love the opportunity to see your child participating in weekly Show and Tell. It is very beneficial if you have discussed this at home beforehand and helped your child prepare.

Over the course of the Term, Show and Tell will contribute to ongoing speaking and listening assessments.

On the opposite side of this sheet is a list of the topics we will cover each week – they are also included on the Homework Matrix (in Homework books). The ‘Show and Tell’ sessions will formally start next week. We have attached the Show and Tell rubric (see below) which the teacher and your child will be using to reflect on their show and tell at intervals throughout the term.

Your child’s show and tell day will be _____

Kind regards,
