MEPS Homework Matrix

“Strengthening the Link between Home and School”

This year we are trialling a new homework approach across the school. This approach is to engage children and parents in their learning at home by acknowledging the many things we do to learn at home as well as at school. At MEPS one of the overarching questions is, ‘How do we engage parents in their child’s learning?’ These homework matrixes will still allow different grade levels to set home tasks according to their needs. The children will be accountable for completing their homework but it will also give them some choice along the way. Parents can encourage their child to complete their homework and sign off on the tasks as they complete them. The first homework rubric will be sent home in week 4. We welcome any feedback through your class co-ordinators.

Camps, Sports & Excursions Fund

The Camps, Sports & Excursions Fund (CSEF) is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities. If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF.

The allowance will be paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child. The annual CSEF amount per primary school student is \$125. If you believe that you may be eligible for the CSEF you will need to contact the school to obtain and lodge a CSEF application form by **Monday, 27th February, 2017** so that payments can be made from March.
