

Maths @ MEPS

KEY FACTOR 4: Teaching maths in units

All mathematical concepts are taught within 2-4 week units. Over the course of the year, students will have covered all topics. Concepts are revisited during problem solving, investigations and general maths lessons.

Topics covered throughout the year include:

Number & Algebra	Measurement & Geometry	Statistics & Probability
Place Value	Time	Probability (Chance)
Addition & Subtraction	Length	Data representation & Interpretation (Graphing)
Multiplication & Division	Capacity	
Patterns & Algebra	Mass	
Fractions & Decimals	2D shapes	
Money & Financial Maths	3D shapes	
	Angles	
	Location & Transformation
