

On-Site Supervision

Policy

Policy review team members: Bev Harvey, Donna Wheatley, John Bothe, Jodie Prendergast, Katanya Barlow, Dean Charge, Kate Eadie, Nathan Goodrick, Lisa Grgic, Jane Herring, Michelle Polley

This policy was last ratified by School Council on 1st June 2020

Rationale:

Adequate supervision of students in the school yard is a requirement of the school's duty of care. The school will satisfy the duty of care for the on-site management of students outside normal timetabled class time by allocating responsibilities for supervision to different staff. The Principal is responsible for making and administering such arrangements for supervision as are necessary according to the circumstances in the school, and teachers are responsible for carrying out their assigned supervisory duties in such a way that students are, as far as can be reasonably expected, protected from injury. This duty extends to intervention in toilets if need be by a teacher of the other gender.

Aims:

To ensure that staff have an understanding of their onsite supervision responsibilities, and behave in a manner that does not compromise these legal obligations.

Implementation:

As part of its duty of care the school is required to adequately supervise students for a defined period before school; at recess time and lunch time; and after school. This on-site supervision requires not only protection from known hazards, but also protection from those that could arise (that is, those the teacher should reasonably have foreseen) and against which preventive measures could be taken.

It is essential parents/carers are kept informed as to when supervision of students is available before and after school, and that outside these times supervision and/or the collection of students is the responsibility of parents/carers. This information should be clearly provided to parents/carers on a regular basis.

A roster system will be used to timetable staff members for yard supervision. Yard supervision will include before school, recess and lunch breaks, and after school. In determining whether supervision of students entering or exiting the school is adequate, the Principal or their nominee will consider a number of factors including:

- which entry/exit points should be or are used by students
- whether any entry or exit points should be locked, designated as out of bounds, or supervised
- road traffic conditions
- designated pick up and drop off areas

The supervision of the arrival and departure of any school excursion and camp buses is a matter for the discretion of the Principal who will consider the following:

- the number of students getting on and off the bus at the school
- the age of students getting on and off the bus
- the times of the arrival and departure of the bus(es)
- the location of the pick-up and drop-off points in relation to the other areas of the school

Parents/carers should not send their children to school before the designated supervision time in the morning which is 8:30am (excluding before school activities e.g. Jogging Club).

Parents/carers are expected to pick up their child by the end of the designated end of day supervision period which is 3:30pm. If parents cannot pick up their child by 3:30pm they are to contact the office and their child will be taken to After School Care. Parents will also be informed via the school's newsletter the times when staff members will be rostered to undertake yard supervision before and after school each day.

Students must be checked out of the school if departing prior to dismissal time. A record of early departures is to be kept in the Office and completed for all students departing the school early.

Note: When a student departs from the school (following initial attendance) without authorisation, the parent/guardian will be informed immediately and Mt Eliza PS will follow DET procedures to ensure their safety.

Evaluation:

This policy will be reviewed as part of MEPS two –year review cycle in June 2022
