

We understand that many children will need new items of school uniform after such a long break and will do our best to get all orders fulfilled as promptly as possible.

The uniform shop will be processing online orders only until further notice.

If we are out of stock of any items we will try and get it to school as quickly as possible.

There will be no trying on of uniform or purchases at the shop at this time. When the order is complete it will be sent home with your children when school resumes face to face learning.

Thank you for your understanding during this time.
