

Welcome to our new App

Our App is ready to download
from Apple App store or Google Play store

To register as a parent:

- Add your name & email address.
- Add your child's name and a unique email. If they don't have an email add a numeral to yours, or put their name, E.g., sam@sck.com
- Do this for each child. This helps us connect students to their parents' account.
- Choose their school, year level and teacher E.g., Mt Eliza Primary School; then 3Hille
- Please add your phone number so we can contact you if there is an issue with your child's order.

Menus will be added ready for ordering from Monday 7 February.

You can pay with your credit card fee free for the first week.
We will have our wallet feature all set up next week for direct deposits.

If you need any help email
