

**Years 3 to 6
Cyber Safety Project 2022 Incursion
Wednesday, 9th March, 2022**

Dear Parents/Guardians,

We are delighted to offer a Cyber Safety Session to all students from Years 3 to 6 on Wednesday, 9th March 2022. This is coming to us from the Cyber Safety Project group. If you are interested to learn more, check out their website: (<https://cybersafetyproject.com.au>). These sessions are designed to empower young people to take control of their own digital safety and wellbeing through an engaging and interactive workshop and presentation. All student workshops align to the Cyber Safety Project Curriculum Framework values Responsibility, Integrity, Strength and Empathy with a focus on Digital Safety or Digital Wellbeing, depending on the age group.

Year 3 - 4
Students will discover the different spaces we go online and identify where they may go to connect, learn and play. The Cyber Safety Project team will take them on a journey through different personal, private and public spaces online. Students will learn about evaluating the perspectives of who might be able to see them, whilst carefully considering the type of information they share. A theme of <i>making good digital choices</i> will lead students to thinking about their personal and public information and how to protect this by crafting long and strong passwords for their personal online accounts.
Year 5 - 6
Students will collaborate with the Cyber Safety Project team through an interactive workshop designed to establish skills to self-manage their own digital lives. It is important for students in Years 5 and 6 to consider social protocols online and know where to go (to seek help) when things go wrong. Throughout this session, students will be empowered to consider their responsibilities as an online citizen and discuss how they can establish positive and respectful relationships online.

The cost of this incursion is \$12.00 and is covered by the excursion levy. Please return the permission form and payment (if applicable) **by Monday, 7th March, 2022**. Late payments and permission forms cannot be accepted.

Yours sincerely,

YEAR 3, 4, 5 AND 6 TEACHERS

**Years 3 to 6 Cyber Safety Project 2022 Incursion
Wednesday, 9th March, 2022
Please return permission form and payment by Monday 7th March 2022.
