

**Year 2 How Things Move Inquiry Unit
Billy Carts Incursion
Wednesday, 23rd November, 202**

8th November, 2022

Dear Year 2 Families,

This term, through our Inquiry unit the children will be investigating ‘How Things Move’. As part of our discoveries, the children will be learning that **push and pull** are the **forces** that are used to put an object into motion. To explore this concept further we are very excited to invite CraftPower to our school on Wednesday, 23rd November, 2022 for a Billy Cart Incursion.

The children will start from scratch to plan and make their very own miniature Billy Cart.

The cost for this day is \$15.00 and is included in the excursion levy.

Please return your payment (if applicable) and permission form by Friday, 18th November. No late payments or forms can be accepted and unfortunately no refunds given.

We look forward to a great day!

Regards,

THE YEAR 2 TEAM
