

**An Evening with Nathan Burke**  
**Thursday, 2<sup>nd</sup> May, 2019**  
**6.30 pm - 8.00 pm in the Old School House**

Mt Eliza Primary School is very fortunate to have Nathan Burke conducting sessions with our Grade 3-6 students over the past two years. This year during the student sessions Nathan has focused on Goal Setting, Perseverance, Connectedness, Self-esteem and Confidence.

On **Thursday, 2<sup>nd</sup> May, 6.30 - 8.00pm** Nathan will conduct an information session for MEPS parents. The evening will be held in the Old School House.

**Details of the evening:**

Recent studies have shown that the predictors of success are not necessarily IQ or natural talent. A far more reliable attribute is resilience and the ability to persevere, to push through challenges and not be afraid to fail.

Whilst for some people these attributes occur naturally, for others we need to teach and practise the concepts.

At the parents' evening, we will build on last year's topics of attitude, personal responsibility, gratitude and health, by introducing the four new topics the children have been exposed to this year.

Nathan will explain the concepts and give practical examples of how you can reinforce these valuable concepts with your children.

If we can immerse the children in the same language and expectations at home and at school, the uptake of these vital concepts will be enhanced.

Put the date in your diary. Parents who came along to Nathan's parent session last year, went away with a terrific understanding of the topics the children learnt about and received valuable practical advice on the best way to prepare our children for the future.

Please fill in the tear off slip below and return to school by **MONDAY, 29<sup>th</sup> APRIL, 2019.**

We look forward to seeing you on Thursday, 2<sup>nd</sup> May, from 6.30pm - 8.00pm.

The Engagement and Wellbeing Priority Team.
