

PREP PMP PROGRAM

14th March 2019

Dear Parents/Guardians,

The Prep children will be participating in a weekly Perceptual Motor Program (PMP) this year in addition to their PE session. This program will begin with some introductory sessions with the classroom teachers and Phil Leonard (PE). The sessions where we require help will occur after lunch on Wednesdays . This will hopefully tie in nicely with school pick-up.

The session for ALL PREP GRADES will be Wednesday 2:15pm - 3:15pm.

The PMP program aims to improve the student’s fine and gross motor skills through activities such as skipping, throwing, balancing and catching. The program is based on a variety of set stations, which the children work through each session.

For the program to run effectively and safely, it is imperative to have parent helpers assisting at various stations. Each activity will be explained to volunteers and no experience is required. A Working with Children’s Check or evidence of application will be required prior to participation.

This is a great opportunity for you to be involved in your child’s learning in a fun environment.

Please fill out the form below if you are able to assist in Term 2 and return it to your classroom teacher by **Wednesday, 27th March**. The program will commence in week 2 of term 2 on Wednesday, 1st May. We hope to see as many helpers as possible.

CHRISTIE BROWN (PE), DIANA BOTHE, HELEN FERGUSON, LINDA GOLDING (PREP TEAM)
