**GRADE 1 AND 2 WICKED WEATHER INCURSION
THURSDAY, 21st AND FRIDAY, 22nd JUNE, 2018**

Dear Parents/Guardians,

As part of our Weather Investigation this term, we have been examining weather patterns, the water cycle and how different climates and geography can effect weather. Students will be participating in an exciting incursion called **Wicked Weather** run by the company Mad About Science. These 90 minute sessions will include two weather related hands on experiments and an educational approach to discovering why and how the changes and reactions occur.

Grade 1 students will attend Thursday, 21st June (including Grade 1s from 1/2 C).

Grade 2 students will attend Friday 22nd June (including Grade 2s from 1/2 C).

The cost is \$12.00 per student. This cost is covered by the excursion levy or can be paid directly to the school.

Please return this note and payment (if necessary) to your classroom teacher by Thursday, 14th June, 2018 with the signed permission note. No late forms or payments can be accepted.

Thank you,

GRADE 1 and 2 TEAM.
